World Pasta Day

10/25 世界義大利麵日

World Pasta Day is celebrated on the October 25th of each year, and the idea behind it was sparked by the World Pasta Congress in 1995.

世界義大利麵日在每年 10 月 25 日被慶祝，這個想法是源於 1995 年世界義大利麵協會。

If you'd like to celebrate Pasta Day at home, gather around the table, alongside your family members, share spaghetti and meatballs and speak happily to one another, possibly even gesticulating with a finger kiss, as if to say 'Eccellente!'.

如果你想要在家慶祝這個節日，請找親朋好友聚在餐桌旁一起享用義大利麵，開心的跟大家聊天，這時如果能比個手勢，親吻你的手指後說出“Eccellente!”的話就更能融入氣氛了!

The Story of Ice King and Marceline

冰霸王 & 艾維爾的故事

Ice King's original Name is Simon Petrikov who was an antiquarian who searches and study the antiques around the world. He found the crown one day at Scandinavia and he put it on his head and made fun of it while he found it.

冰霸王的本名叫做 Simon Petrikov 他原本是一個古文物學家，他尋找並研究世界上古文明的文物。他在北歐的斯堪地那維亞找到了他這頂王冠，在半開玩笑地戴上了它。

From then he began to hear voices and seeing visions. It was too late when Simon found that it is caused by the crown. He tried to fight it but he couldn't leave it. His skin begin to turn blue and starting to grow white hair and bears.

從那之後 Simon 開始聽到、看到一些幻覺，等到他發現是這個王冠造成的時候一切都已經太遲了。他嘗試著抵抗王冠不過他沒辦法離開王冠，他開始長出白色的頭髮以及鬍子，皮膚也開始變成藍色。

Some time after the discovery of the crown happened "The Great Mushroom War" and it was during this war when Simon was running around he found the little Marceline crying on the middle of the road. He searched and got Marceline a doll to calm her down and then took her to escape with him.

在找到王冠後不久後發生了「香菇戰爭」在各地逃跑的 Simon 在這段時間發現了在路中上哭的 Marceline。為了安撫她，Simon 找了一隻娃娃給他並告訴她說他會照顧他，

While they were running away from the mutated monsters Ice king was forced to use the crown as a method to protect Marceline and eventually the crown took away Simon's sanity and his memory.

在逃跑的途中，Simon 為了擊退變種的怪物他不得不戴上王冠並借助他的能力，最後 Simon 漸漸地他失去了他的神智，也失去了他的記憶。
